

## **Trap Range Rules**

### **THE USE OF ALCOHOL AND OR MARIJUANA ARE NOT ALLOWED PRIOR TO SHOOTING**

1. ALWAYS Practice safe firearm handling techniques.
2. ALWAYS Keep your firearm pointed in a safe direction.
3. ALWAYS Keep your finger off the trigger and outside of the trigger guard until you're ready to shoot.
4. HEARING and EYE protection must be worn when on the firing line.
5. Load and unload only when you are on station (firing Line) and firearms must be pointed down range.
6. Please be patient and quiet while waiting, the electronic voice activated releases are very sensitive.
7. Be ready to shoot when it's your turn. Load one shell at the time and DO NOT close your action or raise your gun until the shooter ahead of you fires his gun.
8. Firearms may be carried between stations, but the action must remain open and pointed down with no ammunition in the chamber or magazine. When it's time to change station Turn to the right and be prepared to move to the next station.
9. For each squad, the shooter who has been assigned to start on post 1 (station1) is designated the "Squad Leader". If post 1 is empty, the role of Squad Leader passes to the shooter assigned to start on post 2, and so on. This person always shoots first.
10. No magnum shot shells or shot larger than 7 1/2 allowed.
11. ONLY certified personnel are authorized to open, operate, and load the target machines.
12. Semi-auto shooters need either a shell catcher or a rubber band around their firearm's ejector port to assure the other shooter does not get hit or

distracted by their spent shell. If the shell hits the ground, please leave them there until everyone has finished shooting

**13.** Please police your spent shells after the round is completed and properly dispose in the trash.

**14.** Stay safe and enjoy. Happy shooting.
