

## May 2020

- As of press time (April 19<sup>th</sup>) the club remains closed due to covid-19. But there has been some dialogue as to restarting the club. The only facility that there was word on was trap. The likely re opening date is Wed, 4-22. It will be members only, maximum of two traps only, and four person squad max. It will also depend on volunteer cleaning of all surfaces that everyone has heard about from the news media. **BUT** nothing was made for certain. Because the newsletter is published one month in advance, this is not a good way to plan visits to the club. Please rely on word of mouth, phone trees, texts and the new club website !
- If the club re opens, there may or may not be a membership meeting in May. But if it happens, it will be Mon., May 11<sup>th</sup> at 7:30 pm.
- Speaking of the web sites, the old site went dark on Apr. 23<sup>rd</sup>. The new site ([wallumlake.com](http://wallumlake.com)) is open for member account registrations. In order to create an account, you **MUST** use your first name, space, last name, space and member number. Do not use Bob for Robert, Bill for William, etc.
- All club events scheduled for the month of June are still on! But this could change for obvious reasons. Stay informed, please !
- The R.I. Presidential Primary has been rescheduled to June 2<sup>nd</sup>.
- The R.I. Legislature was still in limbo at press time, but beware of them re opening with little notice and try to sneak anti gun bills into law.
- Stay healthy, stay informed. This WILL pass!
