- We had a live meeting in Aug. under the pavilion using social distancing! Meeting highlights: 15 new members joined the club bringing total membership to 862. Field Day is canceled. There was a long discussion about security at the club, esp. the need for more security cameras. With that, creating a new position of Security Chairman has been proposed. If anyone would like to serve in that position, see the President or B.O.D. There was a long discussion about damage to the indoor range. Everyone who went through the orientation knows the minimum and maximum velocities of their bullets! Please adhere to those limits! And again, no shotguns or muzzle loaders are allowed in the indoor range!! A first vote for the proposed by-law change was in the affirmative. Two more are needed for passage. If you haven't been informed of this change, the text of the proposal is way too long to put here, and is available on-line and e-blast. Dues structure for 2021 will remain the same as 2020.
- A nominating committee was seated for the annual club elections in Dec. The committee consists of Laurie Rafferty, Rich Lapiere, Tony Montefusco, Mike Procopio, and Dave Sliney. As of Aug 11th, nominations are open. If you are interested in serving in an elected position, see David Sliney. The ballot must be in place at the Nov. Membership meeting..

- The club President has personally seen members not wearing club badges or club i.d. Also he has seen members sigh in and out at the same time so as to not re enter the club house when finished shooting. Both of these practices must stop!
